

# Regional BioCamp 2012

May 20 - 22, 2012, Ljubljana, Slovenia

## 1. What is BioCamp?

The Regional BioCamp 2012 is a three day forum, that brings together selected top students with distinguished experts and top managers. It is a great opportunity to gain direct insight into the world of research and international business environment within the pharmaceutical industry.

### Regional BioCamp 2012 offers participants an excellent opportunity to:

- Understand trends and challenges in the development of differentiated generics and biosimilars
- Interact with key experts and leaders from Sandoz and Novartis
- Receive first-hand experience about biotech start-up company
- Explore career opportunities in the pharmaceutical industry
- Network with talented students from other countries

## 2. Program

### Key-note presentations of leading scientists from academia, Sandoz and Novartis:

- New developments in the generic pharmaceutical industry
- Innovative approach in developing contemporary medication
- Contemporary trends in diagnostics and therapy of cancer
- Biosimilars in oncology
- Starting a biotechnology company
- Patients as partners in cancer medication
- Career opportunities in the pharmaceutical industry

### Students' workshop:

- How to develop and launch a pharmaceutical product

### A visit to Sandoz development facilities in Slovenia.

## 3. Who may apply?

We invite regional university students in natural sciences, from last year pre-graduate studies, masters, doctoral and post-doctoral studies, to apply for the Regional BioCamp 2012. The event will be held in English and English fluency is required. A total of **35 selected students** from Alpe Adria region will be chosen based on their academic excellence, professional experience and extra-curricular activities.

The two winners of the Regional BioCamp will participate at the Novartis International BioCamp 2012 in Basel, Switzerland.

## 4. How to apply?

Email the application form together with your CV, recommendation letter and motivation letter to: [biocamp.lek@sandoz.com](mailto:biocamp.lek@sandoz.com). Deadline for applications is **February 24, 2012**. Only complete applications will be considered.

Selected students will be informed via e-mail in April 2012.

For more information, please visit: [www.lek.si/biocamp](http://www.lek.si/biocamp) or contact us at: [biocamp.lek@sandoz.com](mailto:biocamp.lek@sandoz.com).
