

International Summer School, Piran

**Cell and Tissue Engineering Society of Slovenia**

**National Institute of Biology, Slovenia**

**Biosistemika d.o.o.**

**Biosistemika**

are announcing 4-th international **PhD level**

International Summer School

on

# **Advanced Molecular Biology Methods in Biotechnology**

**Piran, Slovenia, August 26 – September 3, 2011**

**This year learn methods in:**

Systems Biology

Genetics

Proteomics

Genomics

Tissue Engineering

Bioinformatics

Real timePCR

Microarray

Mass Spectrometry

Single cell PCR
